PRE-AUTHORIZATION

Patient Medical Scheme Info

During authorisation you will be required to enter a hospital, please make sure that this hospital is loaded on your profile before continuing with this pre-authorisation (find this under the MyProfile - under MyDetails section).
You will also be required to add a lens, please make sure that this lens is loaded on your profile (find this under the MyProfile -under MyMaterials section).

Title

Patient Full Names

Patient Surname

Medical Aid Number

Medical Aid Option

Dependent Code

Gender

Email Address

Date Of Birth

[Next](#)

Step 1

You are required to capture the patient's and medical aid details.

Please note that all fields are required.

Click on 'Next' to proceed to the next step

 PRE-AUTHORIZATION

Procedure

Surgery Date

Hospital

[Other Hospital](#)

ICD 10 Codes

Procedure Codes

Side

Select eye to be operated on

Left Eye Right Eye

Patient Consent

Has the patient signed the consent

Please click [here](#) to download Patient Consent Form wording, please paste content on practice letterhead

Cataract Surgery

Is surgery performed at same time with Xen

[Back](#)

[Next](#)

Step 2

You are required to capture the procedure details.

The system allows you to manually add a new hospital that is currently not configured for your profile.

You also have the ability to select multiple Procedure codes.

Note: You cannot submit a preauthorization request without Patient's consent.

If a cataract surgery is being performed at the same time with Xen, you will be required to capture a cataract ICD10 code

PRE-AUTHORIZATION

Clinical Data

Patient's current IOP <small>(Is Patient's current IOP producing ongoing damage to vision, VF & GCD/RVA)</small>	No
Clinical Parameters indicating ongoing damage	Please Select
Other Indications	
Highest Intra Ocular Pressure(IOP) recorded to date for this eye	
Current IOP	
Number of Previous glaucoma procedures performed on this eye	0
Can patient tolerate medication	No
Number of pressure lowering molecules eye is currently receiving	Please Select
Is patient on ORAL acetazolamide	Yes
Does patient have conjunctivitis medicamentosa	No
Is this the only legal Seeing Eye? <small>(Is other eye less than 5/20)</small>	Yes
Main reason for choice of the device	Please Select
Special Comments <small>Any special comments or considerations relevant to this case</small>	
Nappi code for the devices	add up to 4 codes separated by comma
Proposed Follow up Date	28/08/2021

PreAuthorisation Criteria Results

PreAuthorization has met the requirements

Please [click here](#) to view funder Terms and Conditions

[Proceed](#)

The system will flag if the preauthorization request has met the requirements

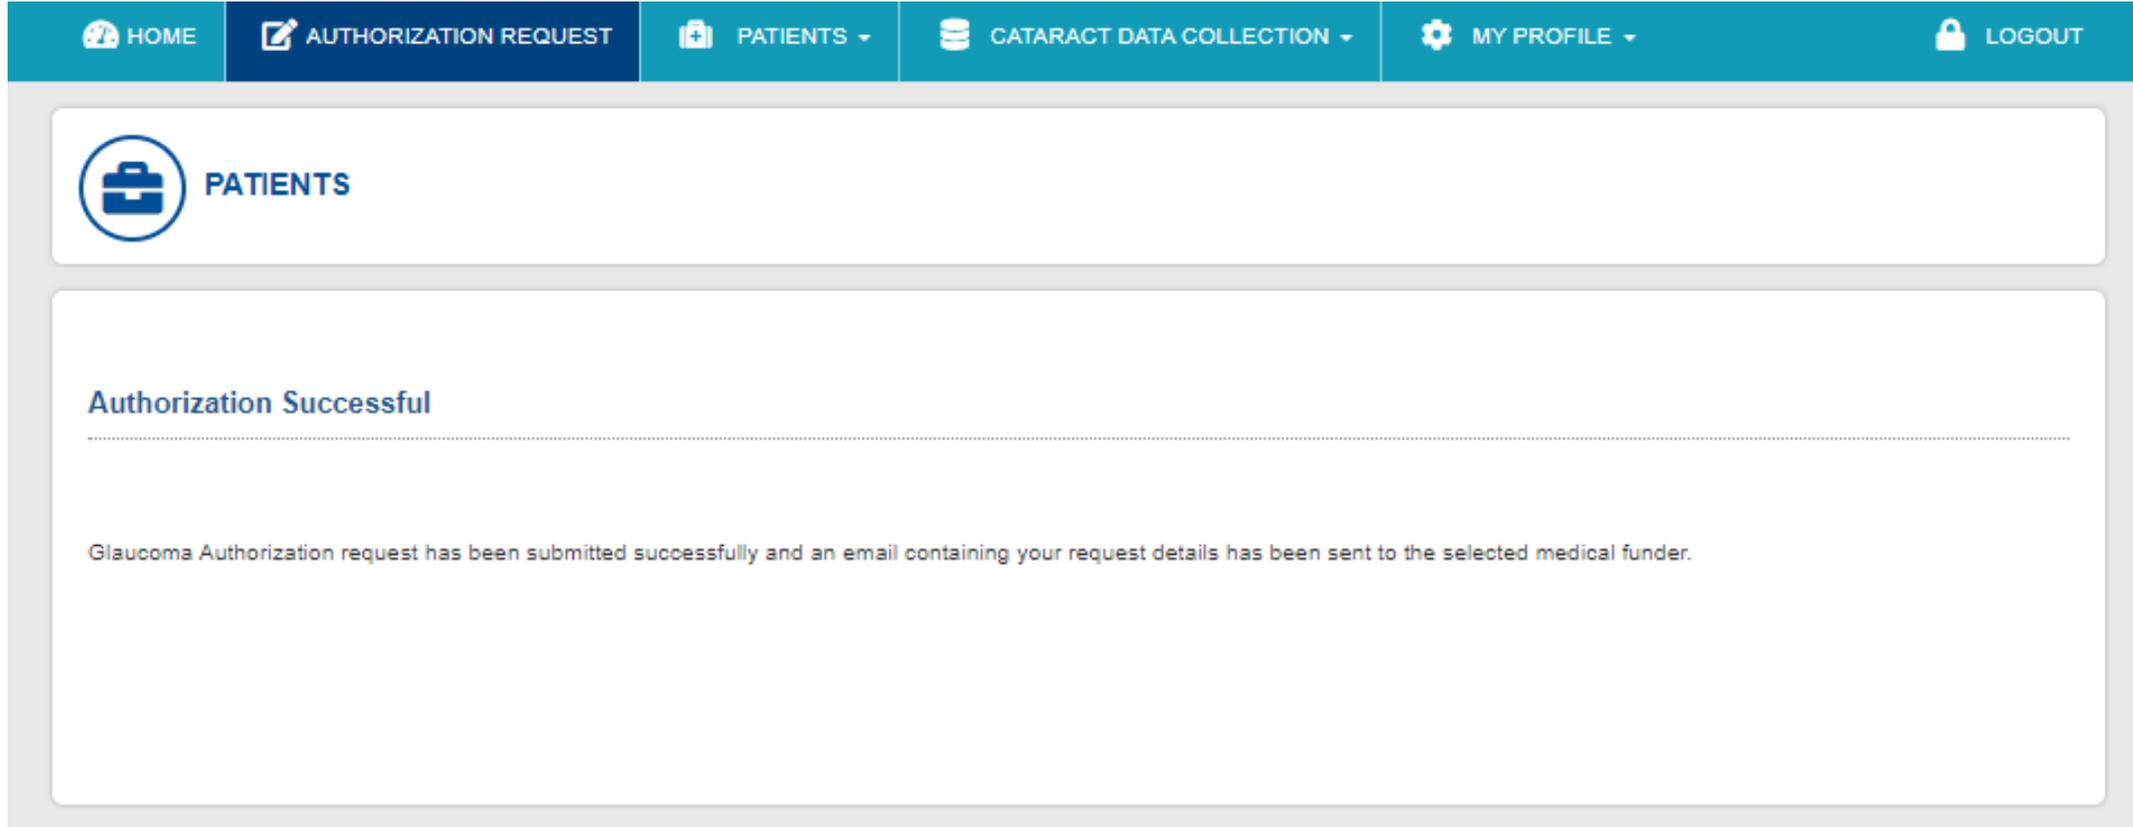

The system also allows you to view the terms and conditions

Click on Proceed to submit the preauthorization request to Network

Notification to show that request has been submitted

If the request met the criteria, a preauthorization request will be sent to the Network and the HP receives a copy of this.

If the criteria was not met, a notification is sent to the HP notifying that the criteria has not been met and the request has been declined

The screenshot displays a web application interface with a teal navigation bar at the top. The navigation bar contains six items: 'HOME' with a house icon, 'AUTHORIZATION REQUEST' with a pencil icon, 'PATIENTS' with a person icon and a dropdown arrow, 'CATARACT DATA COLLECTION' with a database icon and a dropdown arrow, 'MY PROFILE' with a gear icon and a dropdown arrow, and 'LOGOUT' with a lock icon. Below the navigation bar is a white content area with a rounded top-left corner. On the left side of this area is a circular icon containing a briefcase, followed by the text 'PATIENTS'. The main content area features a heading 'Authorization Successful' followed by a horizontal dotted line. Below the line is a message: 'Glaucoma Authorization request has been submitted successfully and an email containing your request details has been sent to the selected medical funder.'

PREAUTHORIZATION UPDATE

HPs can submit an Update to a preauthorization before the date of surgery

To do this, click on Authorization request and select the medical scheme

The screenshot shows a web application interface with a teal navigation bar at the top. The navigation bar contains five items: 'HOME' with a house icon, 'AUTHORIZATION REQUEST' with a pencil and document icon, 'PATIENTS' with a person icon and a dropdown arrow, 'CATARACT DATA COLLECTION' with a database icon and a dropdown arrow, and 'MY PROFILE' with a gear icon and a dropdown arrow. Below the navigation bar is a white section with a blue circular icon containing a first aid kit and the text 'PATIENTS'. Underneath this is a section titled 'Select Medical Scheme' with a dotted line below it. On the left side of this section is a light blue box containing the text: 'Click on the correct medical Scheme on the right to view the detail.' To the right of this box are four white rectangular buttons with rounded corners, arranged in a 2x2 grid. The top-left button is labeled 'CATARACT - PROFMED', the top-right button is labeled 'GLAUCOMA - DISCOVERY', the bottom-left button is labeled 'PUBLIC SECTOR', and the bottom-right button is labeled 'OSSA RIGHT TO SIGHT'. Two blue arrows originate from the text above: one points to the 'AUTHORIZATION REQUEST' navigation item, and the other points to the 'GLAUCOMA - DISCOVERY' button.

Click on the 'Patients' tab and select the 'My Patients' option on the dropdown

Date : 2021/02/17

Ophthalmic Risk Management Proprietary Limited

The reminder notification pdf the patient will receive 4 months after the surgery if a follow-up has not been done

PATIENT SATISFACTION SURVEY

A day after the date of surgery, the patient will receive a patient satisfaction survey they will be required to complete

Dear **Testing Surveys**

Your Ophthalmologist, Dr Doctor Khumalo, is a member of the Ophthalmology Management Group (OMG).

OMG doctors continuously strive to improve the quality of service delivered to their patients. To this extent, OMG has implemented a Glaucoma Registry, to capture information on patient health outcomes after glaucoma surgery.

We would appreciate you giving up a few minutes of your time to complete 2 quick questions to rate the service experienced by your doctor and the hospital where the glaucoma procedure was performed.

Click [here](#) to complete the survey.

Should you require any further information, please contact us on info@omgltd.co.za.

Thank you for your participation.

Kind regards,

OMG Glaucoma Registry, on behalf of your doctor

Patient will be required to indicate if they have had the surgery.

If they have not had their surgery they can add any recommendation and submit the survey

Patient Satisfaction

I have had my surgery | I have not had my surgery

Please add any recommendations you might have to improve the service

Submit

If surgery has taken place, they will be required to rate how likely they will to recommend the HP or Hospital to family and friends.

They will also be required to provide some recommendations as well.

Patient Satisfaction

I have had my surgery I have not had my surgery

On a scale from 1 to 10 how likely are you to recommend this doctor to friends and family
(From score of 1 that you would definitely not recommend this doctor, to a score of 10 where you will definitely recommend this doctor as a doctor of your choice)

highly unlikely	1	2	3	4	5	6	highly likely
	<input type="radio"/>						
7	8	9	10				
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>				

On a scale from 1 to 10 how likely are you to recommend the hospital to friends and family
